RED WINE

GRANDIOSE MERLOT FRANCE

The grapes are picked at optimum maturity and a small proportion of the grapes went through thermovinification to extract maximum fruit aromas. The rest is vinified traditionally to provide supple tannins. There are aromas of ripe plums and hints of violets; with soft smooth tannins making this wine a real crowd pleaser.

CA` VITTORIA APPASSIMENTO, PUGLIA ITALY

The drying gives to the wines the typical notes of ripe fruits, such as plums and raisins. The hand-picked grapes are pressed and the fermentation starts. The skins are left on the must for a long period to extract flavours and the characteristic red colour. Subsequently the wine is left in barrels for about 3 or 4 months; this ageing gives the pleasant notes of spices and vanilla.

PROTEA CHENIN BLANC, ANTHONIJ RUPERT WYNE, STELLENBOSCH SOUTH AFRICA

A delicate nuance of chamomile adds depth and interest to the nose of typical stone fruit: apricot, and peach. Ripeness of rich fruits – nectarine, apricot and Golden Delicious apple – is tempered by a bright tang of citrus peel and fresh acidity. Adding dimension and depth is an exciting light chalky grip and evidence of time on lees. Rounded and full with good body and length. Impressive balance and focus in the way the fruit, acid and lees relate.

ZEPHYR SAUVIGNON BLANC, MARLBOROUGH (ORGANIC) FRANCE

Lovely meadow herbs play over juicy, ripe peach and green melon notes, with overtones of spicy yarrow. The palate brims with full juiciness, again of ripe, yellow peach, dripping melon, ripe lemon and more of that crushed yarrow spice and pepperiness. All this happens against a subtly yeasty backdrop that adds both body and creaminess in this full-fruited wine.
